	Jabón Concentrado Espuma	Última revisión: Nueva Revisión:
		Version: 1

1. Identification of the substance or preparation and of the company/undertaking.

Identification of the Substance/Preparation: Jabón Concentrado Espuma

Product use: .

Dealer: Jofel Industrial, s.a.

Telephone number for emergency: 915 620 420

2. Hazards identification.

Preparation not classified as dangerous according to Directive 1999/45/EC

3. Composition/information on ingredients.

Information on hazardous components according to the Directive 67/548/EEC:

Concentration range of the constituent (% weight/weight)	CE Number	CAS No.	Chemical name	Symbol(s). Risk Phrases
≥1% and <5%	271-657-0	68603-42-9	Amides, coco, N,N-bis(hydroxyethyl)	Xi; R38-41

Full text of each relevant R phrase is listed under the heading 16.

Detergent Labelling (648/2004/CE)

Preservants:

Contains:

Content	Constituents
5 % or over but less than 15 %	Anionic tensioactives
less than 5 %	Perfumes Non-ionic tensioactives Amphoteric tensioactives

The surfactants contained in this preparation do not comply with the biodegradability criteria

4. First aid measures.

Consumption:	If swallowed, rinse mouth with water. Seek medical advice immediately and show this container or label. Do NOT induce vomiting.
Eye contact:	First rinse with plenty of water for several minutes (remove contact lenses if easily possible), then take to a doctor.
Inhalation:	If inhaled, remove person to fresh air. If not breathing give artificial respiration. If breathing is difficult, give oxygen. Obtain medical advice.
Skin contact:	Remove contaminated clothes. Rinse skin with plenty of water or shower. Refer for medical attention.

		Version: 1

5. Fire-fighting measures.

Extinguishing Media:	Carbon dioxide, dry chemical powder or appropriate foam. For safety reasons do not use full water jet.
Other Fire Fighting Considerations:	Heating causes a rise in pressure, risk of bursting and explosion.
Known or Anticipated Hazardous Products of Combustion:	Emits toxic fumes under fire conditions.
Special Fire Fighting Procedures:	Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes

6. Accidental release measures.

Procedures for Spill/Leak Clean-up:	Cover with an inert, inorganic, non-combustible absorbent material (e.g. dry-lime, sand, soda ash). Place in covered containers using non-sparking tools and transport outdoors. Avoid open flames or sources of ignition (e.g. pilot lights on gas hot water heater). Ventilate area and wash spill site after material pickup is complete. Dispose of in accordance with current laws and regulations.
Personal Precautions:	Avoid sources of ignition. Wear respirator, chemical safety goggles, rubber boots and heavy rubber gloves. Keep people away, evacuate area.
Environmental Precautions:	To avoid possible contamination of the environment, Do not discharge into any drains, surface waters or groundwaters.

7. Handling and storage.

Handling:	Keep away from food, drink and animal feedingstuffs. When using do not smoke. Avoid contact with skin and eyes.
Recommended Packing Materials:	To be stored in tightly sealed and preferably full containers in cool, dry and ventilated area. Keep in glass, suitable plastic, aluminum or laquer-lined containers.
Storage:	Protect from heat/overheating and light sources. Keep material away from sources of ignition (e.g. hot surfaces, sparks, flame and static discharges).
Usage Precautions:	Smoking should not be permitted in work areas.
Product use:	

8. Exposure controls/personal protection.

Eye/Face protection:	Chemical safety goggles are recommended. Wash contaminated goggles before reuse.
Respiratory Protection:	Ventilation, local exhaust, or breathing protection.

	Jabón Concentrado Espuma	Última revisión:
		Nueva Revisión:
		Version: 1

Skin Protection:	Avoid contact with skin. Wear suitable gloves
Hand Protection:	Compatible chemical-resistant gloves are recommended. Wash contaminated gloves before reuse.
Engineering Controls-Ventilation:	Mechanical exhaust required. In confined or poorly ventilated areas, the use of an appropriate respiratory protection may be required.
Other Personal Protective Wear:	Measures should be taken to prevent materials from being splashed into the eyes or on the skin. Wear eyeshields and protective clothing.
Declaration of substances is not required.	

9. Physical and chemical properties.

Appearance:	
Boiling Point:	-
Color:	Blue
Density:	ff 1
Flash Point:	-
Odour:	-
pH-value undiluted:	6 - 8
Solubility:	Essentially soluble.

10. Stability and reactivity.

Conditions to Avoid:	Avoid excessive heat, sparks or open flame.
Hazardous Decomposition Products:	Carbon monoxide and other unidentified organic compounds may be formed upon combustion.
Incompatibility:	None known
Hazardous Polymerization:	No special precautions other than good housekeeping of chemicals.

11. Toxicological information.

Toxicological effects:	No toxicological information is available on this preparation as such.		
Substance	Acute oral toxicity (LD50)	Acute dermal toxicity (LD50)	Acute Inhalation toxicity (LC50)

12. Ecological information.

Ecotoxicity:	Information not yet available.		
Further information:	See also headings 6, 7, 13 and 15.		
	Do not allow the material to enter streams, sewers or other waterways.		
Substance	Acute aquatic toxicity	Biodegradation	Bioconcentration Factor

13. Disposal considerations.

Container disposal: Don not re-use empty containers. Empty residue into application equipment.
 Disposal conditions: Dispose of in accordance with all federal, state and local environmental regulations.

14. Transport information.**International Carriage of Dangerous Goods by Road (ADR)**

UN No.: N/A
 Proper Shipping Name: Not subject to ADR
 Packing Group: -
 Class: -
 Label: -

Sea Transport (IMDG)

15. Regulatory information.

Classification according to Directive 1999/45/EC
 Identification of the Substance/Preparation: **Jabón Concentrado Espuma**

Preparation not classified as dangerous according to Directive 1999/45/EC

Safety Data Sheet available for professional users on request

16. Other information.

Text of risk phrases associated with ingredients listed in section 3:

R38: Irritating to skin
 R41: Risk of serious damage to eyes

Jabón Concentrado
Espuma
