

ELCO documento

The perfect envelope for correspondence that is too big for a standard envelope and too small for a packet. The extra-thick paper quality and the 20 mm wide side gussets provide sufficient room and are sturdy enough for sending even large items. The green stripes printed on the inside protect confidential documents from prying eyes.

La busta perfetta per la corrispondenza troppo grande per una busta standard e troppo piccola per un pacchetto. La qualità extraresistente della carta e il soffierto laterale da 20 mm di spessore garantiscono spazio e stabilità sufficienti per inviare contenuti anche di grandi dimensioni. L'internografia verde a righe protegge i documenti confidenziali dagli sguardi troppo indiscreti.
